RE: AMERICAN NAZI PARTY

On May 28, 1963, a source, who has furnished verified information, but with whom contact has been insufficient to establish reliability, advised that [redacted] a member of the American Nazi Party, is being "court martialled" and will have to stand trial before the Party officials, charged with spreading rumors. Source stated that the prima facie case against [redacted] is based largely on his contacts in New York, particularly with Luke Dommer, leader of the American Nationalist Party.

Source further advised that the American Nazi Party is publicizing and offering for sale a Long Playing record, purportedly of a speech by George Lincoln Rockwell, self admitted leader of the American Nazi Party. Source stated that actually the recording is a "phony interview and speech" prepared by Rockwell and recorded by one [redacted]. Source stated that [redacted] is employed by a radio station at or near Bucknell University, Lewisburg, Pennsylvania.

Source stated that [redacted] continues to take an active part in the affairs of the American Nazi Party. He stated that [redacted] has contacts in New York and has a "girl friend" who resides on [redacted] (odd number side) between [redacted]

I can certainly well understand your sentiments and your concern as a good citizen regarding material of this type. We do our part by transmitting information we are able to develop concerning organizations of this type to other interested agencies of the Government.

With kindest regards.

Dear Fellow-American:

We propose to reduce the RACIAL IMBALANCE in our government.

The number of Jews in the Federal Government is disproportionate to the total population of the country. (The Jews must be regarded as a RACE. According to their own publications they consider themselves a separate people in whichever land they choose to live. Therefore, they are not merely a religious group as they tell us they are, but a people with interests as a separate nation.)

These Jews have excessive power over ALL Americans. The President's ADVISORS are Jews. The TOP OFFICIALS in the Department of Justice, serving under the Attorney General, are Jews. While proclaiming themselves a separate community, they are advocating the use of this country's Army against ITS OWN PEOPLE, the same procedure Jews used to take over Russia in 1917, otherwise known as the Bolshevik Revolution.

Jews throughout America are using the courts to have CHRISTIAN observances banned in tax-supported institutions, and telling the people it is "Separation of Church and State." But last April a Bar Mitzvah was celebrated in the White House, and they called this a triumph!

Jews have organizations in this country to advance their interests as a world-wide nation of people. It is time for patriotic citizens of the United States to organize for THEIR interests and to regain control of their government.

The National Citizens Union has been organized for the purpose of supporting an Amendment to the Constitution to curb the power of Jews (while there is still a Congress). Join the NCU and work for this movement.

Re: AMERICAN NAZI PARTY

On July 18, 1963, a source who is in a position to furnish reliable information but with whom contacts have been insufficient to determine reliability, advised as follows concerning George Lincoln Rockwell and the American Nazi Party (ANP):

Rockwell recently received a letter from [redacted] which was postmarked July 15, 1963, Paris, France, and addressed to Rockwell as "Mr. L. George c/o [redacted] Arlington, Va." The letter stated as follows:

"Dear Commander -

I am in Europe for quite a while. I hope [redacted] and Matt gave you a few news about me. I exchanged letters with them.

I bring to you knowledge the following situation and the steps I undertook - I received a letter from the Immigration Service July 1st - it was forwarded to me. The friend which forwarded it also answered the Service that I am in Europe at the present time on a vacation. The letter was signed by a certain [redacted] - which I also was supposed to see on July 11th in NYC. On July 9th came another letter - in a very imperative and arrogant tone. Miss [redacted] answered it on July 11th. (Both letters are enclosed). It was also sent by the Chief of the Service [redacted] For immigrants there is no obligation to give any address while vacationing and needless to say he has no right "to request Miss [redacted] to furnish any sort of address. I know from the FBI an employee with whom I discussed a few times Romanian problems. (He is in the Romanian Section). I think I mentioned it to you. I wrote him a letter immediately as follows.

Re: AMERICAN NAZI PARTY

"Dear Mr. [redacted]

I had the opportunity to meet you a <sup>few</sup> times. (I am a Romanian refugee). I received .. (and ~~then~~ I explain the story about the 2 letters)... I said ~~for~~ in instance 'the second letter was sent by a certain [redacted] in charge of granting citizenship'. 'As you know Romania was given to the Communist by a big traitor Franklin D. R.' 'I picketed against Communism. Seeing no answer in my citizenship problem I had to draw the conclusion that anti-Communists are not welcomed. The solution would have been temporary anyhow due to the fact that I plan to return in a free Romania. 'Due to a number of strange situations at the Immigration Office, like granting the citizenship to Dr. [redacted] - known also by the name of Dr. [redacted] [redacted] I find Mr. [redacted] request highly suspicious.'

Mr. [redacted] - in my opinion - needs my address for personal reasons more exactly to furnish it to those who may need it.

(The letter had all the above sentences included)

b6  
b7C

Be sure [redacted] knew after the first letter that I was in Europe and that the mail will be forwarded.

He had no right to send the second letter in an official capacity.

Of course the possibility exists that he intended to call me to grant me the citizenship and wanted to make sure, absolutely sure, that the letter will reach me in Europe. From the above kike, who has the knowledge of my past interview, it is impossible to imagine some eagerness to help me towards citizenship.

I replied that he wants to furnish my address. It could be only to Communists, to authorities in the countries in which I am staying, to giddish agents.

I planned to write to Justice Dept, etc., but all the above is based only on my psychological remark about [redacted] letter, which I find remarkably arrogant.

Re: AMERICAN NAZI PARTY

"I just thought I bring it to your knowledge. I am not worried and I am going to keep you informed of eventual new developments. One thing is certain. [redacted] imagines I have who knows what sort of plans here. (I feel the name of the FBI man, and generally the FBI visits should not be discussed. If you consider contacting him, [redacted] I of course have no objection [redacted] With him I discussed exclusively Romanian problems and U. S. political connections never came into discussion.)

From here we send you the best congratulations for the fight of the white man in service, and assure you of my loyalty. I leave in a few days for Spain where I expect to stay till Sept. In the meantime this week I expect an answer regarding my request of Sejour here. (From Spain I will give an address to Matt),

b6  
b7C

Sieg Heil

/s/ [redacted]

Pass - July 19th 1963

P.S. Miss [redacted] is informed about my travel plans and addresses. Here I have no fix address starting today.

P.S. Please keep the copies of letters received from Immigration Office being the only available apparently.

July 15th

Today's 'New York Times' has on the first page an article 'N.Y. Police Seize 3 in Neo-Nazi Party with Cadre of Arms'. They are members of the Renaissance Party, it is obviously unjustified. Their arrest is based on the charges of (conspiracy, incite riot violate of law, anarchy).

Under the anarchy charge they were accused of belonging to a subversive organization that advocates the overthrow of the govnt. It is obvious that the charges against me, if there will be any, will accentuate on "anarchy". I do not have my last word till after my visit in Spain, but if their intention is to keep me out of the U.S. or if I return, to deport me, this intention must be fought, and for this simple reason I may decide to return and give up all my previous plans."

Re: AMERICAN NAZI PARTY

The letter enclosed a copy of a letter dated July 9, 1963, from [redacted] Supervisory Naturalization Examiner, Citizenship Section, New York, Immigration and Naturalization Service, United States Department of Justice, New York, New York, addressed to Miss [redacted] New York 21, New York, requesting the address of Mr. [redacted] in Europe. This letter had a written notation dated July 11, 1963, signed by [redacted] that [redacted] forwarding address for the past few weeks was [redacted] Paris XVI, France, however, he was to receive no mail at this address after July 14, 1963, and his additional plans were unknown.

b6  
b7C

Also enclosed with this letter was a letter dated July 1, 1963, from District Director, Immigration and Naturalization Service, New York, New York, addressed to Mr. [redacted] Street, New York, New York, requesting that he contact Mr. [redacted] of Immigration and Naturalization Service, for an interview on July 11, 1963, in regards to continued hearing on [redacted] petition for naturalization.

On April 11, 1963, a source, who has furnished verified information but with whom contact has been insufficient to establish reliability, advised that on April 10, 1963, Rockwell and [redacted] were in conference behind closed doors. The source stated that [redacted] had been designated for the title of International Secretary, although [redacted] is only an "associate member" of American Nazi Party.

A characterization of American Nazi Party is attached hereto. Also attached hereto is a characterization of the National Renaissance Party.

b6  
b7C

Also on July 18, 1963, the first source mentioned herein advised that Rockwell recently received a letter postmarked July 3, 1963, [redacted] addressed to "George Lincoln Rockwell, Cdr., American Nazi Party, 928 North Randolph Street, Arlington, Va., U.S.A." The letter dated July 3, 1963, on letterhead of National Socialist Movement, 74 Princedale Road, London W. 11, [redacted] Leader, signed John Tyndall, identified in the letterhead as National Secretary, states as follows:

RE AMERICAN NAZI PARTY

"Dear Commander,

Thank you for your article, which has been received today. It will help to make up a number of the National Socialist which will be, we hope, better than the last.

C. J. is at present in foreign parts, and will be back mid-July. Some of the things he has been doing will shortly reverberate around the world, you can be sure.

Things are looking up very well here now, although the persecution is appalling. The latest is that young [redacted] our first youth-leader, has been expelled from college on account of his association with us, and the national education authorities have issued instructions to all education establishments throughout the country to have nothing to do with him. I know [redacted] well enough to be sure that this will only serve to make him more determined but the thing has made us all blazing mad nevertheless.

b6  
b7C

Your last 'Stormtrooper' was most inspiring. It gets better and better. So glad also that you liked the 'National Socialist'.

Latest news from the 'right-wing' (of which I know you have your contemptible counterpart in America) is that Bean's British National Party is coming to the end of exactly the length of life we forecast for it, and that soon his followers are likely to come crawling back into the Nazi fold. I know that this is the [redacted]-Burros episode all over again. The 'little-fuhrers' have their fling, but it seldom ever lasts. At the moment top-level diplomatic negotiations are going on which we hope will result in the worthwhile element in the B.N.P. (that is - the Nazi element) coming back under our roof. This will be a terrific gain if it comes off, and my own opinion is that it is only a matter of time. Please do not let any of this out - except to your very trusted deputies, because a premature leakage would not do the negotiations any good. A scab picked before it is ready only prolongs the sore.

b6  
b7C

A recent financial windfall - not huge - but very welcome and useful, has enabled us to invest a new bit of capital in our bookshop, which until recently had fallen a little into stagnation - through lack of funds and bad management. [redacted] has now taken charge, and shows signs of much more enterprise than his predecessor. He will be in touch with [redacted] regularly during the coming months and after with orders for your publications in bulk, notably the following, in which we are mainly interested:

Could you please urge upon Major [ ] or whoever is responsible for dealing with this business, to be as prompt as possible in doing so - since we value so highly the contribution which your own products are going to make to our increasingly profitable and attractive 'hate-shop'.

Finally, I should tell you that my projected marriage, mentioned in my last letter, is now off. Unfortunate but unavoidable.

Yours sincerely

Date 7/27/63

LUKE DOWNER, 435 East 34th Street, New York City, who is leader of the Nationalist Party (NP), 507 Fifth Avenue, New York City, advised that he possesses no information concerning ROBERT LINCOLN ROCKWELL's connection with National Socialist groups abroad.

DOWNER stated that he is not too well acquainted with ROCKWELL and has had no personal contact with him for several years.

DOWNER stated that he believes one of the chief sources of income that ROCKWELL has to finance the activities of the American Nazi Party (ANP) in the United States is through intimidation of individuals who are threatened to expose as ANP sympathizers. DOWNER stated these individuals originally contact ROCKWELL under the misconception that ROCKWELL is an active fighter against the Communist Party in the United States of America. When these individuals later realize the true anti-Semitic and anti-Negro character of the ANP and try to disassociate themselves from the ANP, ROCKWELL threatens them with exposure as ANP members or sympathizers, so that they will continue with their financial contributions to the ANP rather than be public, exposed as connected with the ANP.

DOWNER stated that he feels ROCKWELL receives very little if any financial assistance from foreign groups and depends for the greatest portion of financial assistance on friends and sympathizers throughout the United States.

DOWNER stated that he feels ROCKWELL's only connection with groups outside the United States is through correspondence by which various groups with policies similar to those of the ANP have an exchange of ideas and discuss mutual problems.

DOWNER stated that several months ago he and his wife had received a number of annoying calls which he attributed to ROCKWELL or persons acting under the direction of ROCKWELL. Because of these annoying and anonymous calls, DOWNER let it be known that he was willing to testify for the United States Government against ROCKWELL.

ROSEN stated, however, that he has no knowledge of any illegal activities performed by ROSENBERG and stated he has little or no personal knowledge of any ANP activities because he is an enemy of ROSENBERG and opposed to all that ROSENBERG stands for.

ROSEN reiterated that he has had no personal contact with ROSENBERG for the past several years and is not interested in re-establishing contact with the ANP which he stated would be impossible in any event. He stated that he is interested only in the activities of his own Nationalist Party which he described as an "organization of the right which is opposed to Communism in all its forms and which serves as the answer for those individuals who feel that the conservatives in the United States are not vocal enough in expressing their true sympathies as Americans first, last and always."

## I. ORGANIZATIONAL STRUCTURE

### A. Headquarters

On July 22, 1963, RH T-5, who has furnished reliable information in the past, advised that GEORGE LINCOLN ROCKWELL, self-designated Commander and leader of the American Nazi Party (ANP), and the members of his staff, continue to maintain their national headquarters at 928 North Randolph Street, Arlington, Virginia. This property is owned by FLOYD FLEMING, a long time associate of ROCKWELL who has evidenced sympathy for the aims and purposes of the ANP.

A characterization of the ANP is attached in the Appendix of this report.

He added that the ANP is also utilizing a large frame house located on 26 acres of land at 6150 Wilson Boulevard, Arlington, Virginia. ROCKWELL and several members of the ANP reside in this house, which is referred to by the members as the "mansion" or "Auxiliary Headquarters." Some of the personal records of ROCKWELL are also maintained in ROCKWELL's room on the second floor and some ANP members are always at this house, especially when ROCKWELL is present.

On April 3, 1963, RH T-6, who is in a position to furnish reliable information but contact with whom has been insufficient to establish his reliability, advised that FLOYD FLEMING, owner of the premises at 928 North Randolph Street, Arlington, Virginia, present headquarters of the ANP, had received an offer to purchase this property, but it was not known what action he might take in this regard.

The April 4, 1963, issue of the Richmond News Leader, a Richmond, Virginia, newspaper, reported GEORGE LINCOLN ROCKWELL had, on the previous day, applied again for a charter for the American Nazi Party but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia

RH 157-93

Assembly which prohibits the use of Nazi or national socialism in a Virginia charter.

The article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia, as the GEORGE LINCOLN ROCKWELL PARTY.

MATTHIAS KOEHL, JR., - National Organizer  
BERNARD FREDERICK DAVIDS - Security Officer

Major J. V. KENNETH MORGAN

On May 29, 1963, RH T-7, a former member of the ANP who was in a position to provide reliable information, but contact with whom has been insufficient to establish his reliability, advised that the ANP has approximately 5000 associate members.

II. OBJECTIVES

On July 22, 1963, RH T-5 advised that the objectives of the ANP remain unchanged and that GEORGE LINCOLN ROCKWELL, self-styled commander of the ANP, is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries. He added that ROCKWELL has recently indicated that he can, if he so desires, be elected Governor of the State of Virginia in 1966 and that he can be elected President of the United States in 1972.

RH 157-93

RH T-5 also informed that ROCKWELL is the dominant force and personality in the ANP; that he is still espousing a "line" of hate against the Jews and Negroes; and that his current "big project" is to assemble a large force of white people from throughout the United States to appear in Washington, D. C., on August 28, 1963, to "counter demonstrate" against the announced rally of approximately 100,000 Negroes in Washington, D. C., on the same date, which is being sponsored by the National Association for the Advancement of Colored People (NAACP).

### III. FINANCES

On July 18, 1963, RH T-8, who is in a position to furnish reliable information but contact with whom has been insufficient to establish his reliability, advised that the ANP operates largely on donations from various individuals, unknown to him, of from \$5.00 to \$200.00. A small profit is realized from various ANP publications.

RH T-8 also informed that during the past week GEORGE LINCOLN ROCKWELL, Commander of the ANP, had received at least two donations of \$200.00 each in cash as well as some smaller donations. The informant did not know the identity of any of these contributors, but did state that one of the \$200.00 donations came from a man in California, name and residence unknown to the informant.

On May 29, 1963, RH T-7 advised that the full-time members of the ANP do not pay any dues unless they are employed in which event they must pay \$10.00 a week to the Party. He added that the associate members pay for any printing they have done and are expected to donate \$3.00 per month to the ANP.

This informant also stated that periodically the ANP makes an appeal to associate members for funds and contributions when finances are low and that, to his knowledge, no sponsors are making any large contributions to the ANP.

RH 157-93

On April 4, 1963, RH T-9, a source who has furnished reliable information in the past and who obtained his information from an unknown source, advised that [redacted], then stationed at Camp Lejeune, North Carolina, as a member of the U. S. Marine Corps, was scheduled to be discharged in June, 1963. This informant added that [redacted] is a member of the ANP and had just given GEORGE LINCOLN ROCKWELL, Commander of the ANP, \$4400.00 in cash and had also purchased a printing press which he was renting to ROCKWELL at ANP headquarters, 928 North Randolph Street, Arlington, Virginia.

#### V. MEETINGS

On July 22, 1963, RH T-5 advised that weekly meetings are still being held by the ANP at its headquarters building, 928 North Randolph Street, or at the "Mansion," 6150 Wilson Boulevard, both Arlington, Virginia. The members are supposed to attend or have a valid excuse which will allow them to be excused from attending.

RH 157-93

The informant added that discussions are still limited to immediate plans of the ANP, that is to some action or problem which must be handled within a short period of time. No long range programs are discussed and it is apparent that ROCKWELL does not have any programs as such mapped out very far in advance. Similarly, no plans are discussed involving foreign countries or programs in those countries unless the item is a current issue or accomplishment. For instance, according to the informant, it is unlikely that ROCKWELL would discuss an impending visit he might be contemplating to a foreign country inasmuch as he does not have the utmost confidence in the members of his staff.

## VI. ACTIVITIES

On July 22, 1963, RH T-5 advised that the activities of the ANP have involved speeches at various localities, including some colleges and universities, by GEORGE LINCOLN ROCKWELL, ANP Commander, on the tenets of his beliefs that international "Jewery" is ruining the world and specifically the United States; that the main threat in America today is communism and that the National Socialism espoused by the ANP is the answer to communism; and that he and his Party are dedicated to supremacy of the white race over the Negro race.

The informant added that ROCKWELL also guides the activities of the ANP and supervises the preparation and printing of the various pamphlets, booklets and other propaganda material which is disseminated by the ANP.

Representative of these speeches and activities are as follows:

### A. Speeches

The February 15, 1963, issue of the Richmond Times-Dispatch, a Richmond, Virginia, newspaper, reported that

RH 157-93

GEORGE LINCOLN ROCKWELL, "self-styled fuehrer of the American Nazi Party," delivered a speech at Cabell Hall, University of Virginia, Charlottesville, Virginia, at which time he spoke out against Jewish domination of American activities and his fight to preserve supremacy of the white race.

On April 21, 1963, RH T-6, advised that a meeting or rally was held by the ANP on the lawn at 6150 Wilson Boulevard, Arlington, Virginia, which premise is occupied by the ANP as a barracks, in order to celebrate Adolph Hitler's birthday. He said that GEORGE LINCOLN ROCKWELL, commander of the ANP, spoke over a public address system from the cupola of the building and his remarks concerned politics and his efforts to win elections in both the State of Virginia and on a national scale in future years.

On April 22, 1963, RH T-5 advised that about 35 persons attended this meeting, including individuals from the District of Columbia, Maryland, Alabama, Pennsylvania and Massachusetts.

On April 20, 1963, RH T-10, who has furnished reliable information in the past, advised that GEORGE LINCOLN ROCKWELL delivered a speech at the headquarters building, Midwest Division, ANP, 2124 North Damen Avenue, Chicago, Illinois, on that date. There were only 26 persons present and he talked on the threat of communism and how National Socialism is the solution to the problem.

According to RH T-10, he also spoke favorably of the efforts of the Nation of Islam in their efforts to advance the position of the Negro and said if they avoid communism he is behind them.

A characterization of the Nation of Islam and the ANP, Chicago, Illinois, appears in the Appendix of this report.

RH 157-93

On May 6, 1963, Mr. [REDACTED] who represents the Anti-Defamation League of B'Nai B'Rith in Washington, D. C., advised that a female supporter had given about \$800.00 to the ANP to finance a trip by GEORGE LINCOLN ROCKWELL, Commander, ANP, to Los Angeles, California, in view of the difficulty involving ANP members in Los Angeles in connection with picketing in that city.

b6  
b7c

On May 13, 1963, RH T-11, who has furnished reliable information in the past, advised that ROCKWELL was in Los Angeles from May 6, 1963 to May 12, 1963, because of the arrest of ANP members in that city on April 28, 1963, in connection with their picketing activities at a meeting being sponsored by the American Zionist Council. He left Los Angeles for Denver, Colorado.

A characterization of the ANP, Los Angeles, appears in the Appendix of this report.

The May 7, 1963, issue of the Los Angeles Examiner, a Los Angeles, California, newspaper, contained an article to the effect that GEORGE LINCOLN ROCKWELL had attended the trial of accused Nation of Islam rioters at the Civic Center in Los Angeles on that date. ROCKWELL was reported as stating "the Muslims are being persecuted just as the Nazi Party - the separation of the black and white races - and we work together on many things."

According to an article in the May 15, 1963, issue of the Colorado Daily, a Denver, Colorado, newspaper, GEORGE LINCOLN ROCKWELL, head of the ANP, spoke at the University of Colorado on May 14, 1963, under the sponsorship of the Associated Students National Affairs Commission at the University and the Colorado Daily.

B. Counter Demonstration in Washington, D. C., on August 28, 1963.

On July 1, 1963, RH T-5 advised that GEORGE LINCOLN ROCKWELL, Commander, ANP, had informed him that for the next

RH 157-93

six weeks he planned to speak in about 70 different towns and cities in the State of Virginia in an effort to recruit 100,000 volunteers for a counter march in Washington, D. C., on August 28, 1963, the date on which the National Association for the Advancement of Colored People (NAACP) is planning to stage a rally in support of civil rights legislation.

On July 1, 1963, Wilmer J. Hedrick, Chief of Police, Henrico County, Richmond, Virginia, informed that during the early morning hours of that day leaflets were distributed in the areas of Henrico County and Richmond, captioned "White Men .... Unite and Fight!! A call to action from George Lincoln Rockwell."

On July 4, 1963, Inspector [redacted] Richmond, Virginia, Police Department, advised that GEORGE LINCOLN ROCKWELL, Commander, ANP, delivered a speech from the steps of the City Hall in Richmond in which he expressed revulsion at the mixing of the Negro and Caucasian races and said he intended to speak in every city and town in Virginia in an effort to recruit 100,000 white people to counter march against the Negroes who are scheduled to demonstrate in Washington, D. C., on August 28, 1963.

b6  
b7C

On July 8, 1963, GEORGE LINCOLN ROCKWELL, Commander, ANP, Arlington, Virginia, provided an itinerary of cities and towns in the State of Virginia which GEORGE LINCOLN ROCKWELL had proposed to visit in an effort to solicit volunteers for his "counter march" on Washington, D. C., on August 28, 1963. The informant stated that ROCKWELL would endeavor to speak to audiences in public parks and/or on the steps of public buildings such as town halls and court houses and that this itinerary would be subject to change in accordance with particular situations which might develop. For example, if he were to hear of demonstrations being conducted by Negroes in a particular town, he would try to get to that town while the demonstrations were in progress rather than sticking to his itinerary.

RH 157-93

This proposed itinerary listed speeches at 73 different towns in the State of Virginia, beginning on July 11, 1963, and ending on August 25, 1963.

Information from local police officials in the respective towns where ROCKWELL has delivered his speeches to date reveals that he has spoken on the theme of exhorting the white people to come to Washington, D. C., on August 28, 1963, and help him in a counter march against the demonstrations planned by the NAACP on that date. There have been no incidents among members of the audiences and no obvious support has been shown for ROCKWELL. Both white and Negro persons have listened to his speeches.

On July 15, 1963, Sheriff EMERSON HARDY, Lunenburg County, Victoria, Virginia, advised that town officials in Kenbridge and Victoria, Virginia, told advance representatives of ROCKWELL that they did not want him to speak in either of these communities and, to date, he has not spoken at either place.

On July 18, 1963, Sheriff W. E. HILL, Brunswick County, Virginia, advised that city officials in Lawrenceville, Virginia, had refused to grant ROCKWELL an available site where he might speak and he did not appear in that town.

On July 18, 1963, FLOYD McCain, Chief of Police, South Hill, Virginia, informed that ROCKWELL appeared in South Hill at 6:00 P.M., on that date, but left when he did not have an audience to hear him.

According to Sheriff N. B. NELMS, JR., Fluvanna County, Virginia, only police officers and firemen were on hand to hear his speech in Palmyra, Virginia, when he appeared there on July 13, 1963; however, he still delivered his speech.

The size of his audiences have, according to local police officers, ranged from 25 persons at Clarksville, Virginia, to from 350 to 400 persons at Orange, Virginia.

RH 157-93

On July 19, 1963, Chief W. G. WEAVER, Emporia, Virginia, Police Department, advised that his department had arrested GEORGE LINCOLN ROCKWELL, [redacted] and [redacted] on that date on charges of unlawful and felonious conspiracy with another to incite the white population of the State of Virginia to acts of violence and war against the Negro population in violation of Section 18-1-422 of the 1950 Code of Virginia as amended. Each was held on a bond of \$1500.00.

Chief WEAVER advised on July 22, 1963, that ROCKWELL, [redacted] appeared in County Court, Greensville County, Virginia, on that date for a preliminary arraignment on the above charges. Their cases were continued for presentation to a Circuit Court Grand Jury in early October, 1963, and they were released on bonds of \$1000.00 each.

b6  
b7C

On July 24, 1963, Major [redacted] Deputy Commander, ANP, Arlington, Virginia, informed that GEORGE LINCOLN ROCKWELL was then in Arlington and had cancelled the remaining speeches he had scheduled for the month of July, 1963, because of his arrest in Emporia, Virginia, on July 19, 1963. He added that ROCKWELL plans to start back on his speaking itinerary for August; however, he is not, at this time, sure whether the "peace" bond under which he was released on July 22, 1963, will allow him to make additional speeches without subjecting himself to another arrest and further legal action.

The July 16, 1963, issue of The Northern Virginia Sun, an Arlington, Virginia, newspaper, reported that Captain A. J. WELCH of the American Nazi Party, Arlington, Virginia, had stated that members of the ANP would parade in Washington, D. C., on August 28, 1963, irrespective of whether they were granted a permit to parade by the Washington, D. C., Police Department.

This article further reported that GEORGE LINCOLN ROCKWELL, Commander of the ANP, was then making speeches at

RH 157-93

various towns throughout the State of Virginia trying to round up support for a counter-demonstration by the ANP in Washington, D. C., at the same time Negroes plan to demonstrate on the matter of civil rights. He made application for a permit for the ANP to parade on this date but this request was turned down by the Washington, D. C., Police Department.

In the July 15, 1963, issue of the "INTRA-PARTY CONFIDENTIAL NEWSLETTER," which shows on the masthead that it is published by the ANP at 928 North Randolph Street, Arlington, Virginia, GEORGE LINCOLN ROCKWELL gives a "special report" on his tour through the State of Virginia to obtain volunteers for his counter demonstration on August 28, 1963, in Washington, D. C.

He states that he is greatly encouraged by the reception given throughout his tour and adds that "White Christian Americans will never know the depth of gratitude they owe to my brave young lads who are working day and night with very little to eat and living under the hardest imaginable conditions to produce a miracle for America and the White Race on August 28." He mentioned that without the help of two "amazingly unselfish and dedicated supporters in California" the campaign would not have been possible.

He also states that the Southern California Division of the American Nazi Party has announced it is sending a big bus load of Stormtroopers to Washington for the "non-violent" march on August 28, and that all units planning large-scale participation should notify local news media of their plans.

ROCKWELL says that the ANP application for a Washington parade permit for August 28, has been refused by the Washington, D. C., Police Department with the explanation that "such a permit would only be issued to 'Negro rights' demonstrators, whom they said would be given 'preferred treatment' that day." He added "We'll see about that! The White Man is not going to be run off the streets of the nation's capital on the 28th day of August, 1963! Ten

RH 157-93

thousand angry white men cannot be stopped from marching."

C. Miscellaneous

On April 9, 1963, RH T-6, furnished a copy of a printed letter from GEORGE LINCOLN ROCKWELL entitled "Special Message to College Students;" however, he did not know how many of these letters were printed or how they were distributed.

In this letter, ROCKWELL said he was offering to a very limited number of sincere students the opportunity, for a moderate fee, to spend the summer living and working with the ANP for the purpose of professional study.

On July 22, 1963, RH T-5 advised he knew of no replies that ROCKWELL had received from the above letter and that he knew of no students who had visited ANP headquarters as a result of this invitation from ROCKWELL.

An article by LINCOLN ROCKWELL, Commander, ANP, appeared in the "Letters to the Editor" section of the Northern Virginia Sun, an Arlington, Virginia, daily newspaper, in its June 19, 1963, issue. In this article, ROCKWELL sought to explain "what the American Nazi Party is not -- misconceptions which should be straightened out." He explained that the ANP is not "trying to kill the Jews;" is not "trying to overthrow this American republic;" and that members of the ANP are not Germans; that "we have no secrets;" that "we are not 'hate mongers;'" and that "we do not hate Negroes."

On June 13, 1963, RH T-12, who has furnished reliable information in the past, furnished a copy of a letter, dated May 21, 1963, from [redacted] District Organizer, New York District, ANP, addressed to "Fellow White New Yorkers." This letter reported it was being sent as an announcement of the first step in opening an ANP headquarters in New York since Commander ROCKWELL had

b6  
b7c

RH 157-93

given official authorization to hold a series of meetings and to carry on a campaign of organization, recruiting and other non-public activities under the ANP.

It was also stated in this letter that the Fighting American Nationalists (FAN) would no longer be active in the New York area.

A characterization of the FAN appears in the Appendix of this report.

### Finances

There are several unknown contributors to the ANP. One of the largest contributors is a person known as [redacted] believed to reside in Glendale, California. [redacted] is supposed to inherit a million dollars and, during the week of July 19, 1963, he sent \$500.00 to Rockwell after hearing that Rockwell was arrested in Emporia, Virginia, while on a speaking tour of the State of Virginia.

207 212

A woman by the name of [redacted] who resides at an unknown location in California, contributes substantial sums to Rockwell, and during the past summer, paid for Rockwell's plane trip to Los Angeles, California and bought him a new suit of clothes.

Floyd Fleming, who resides at 905 Quincy Street, Northeast, Washington, D. C., owns the property at 928 North Randolph Street, Arlington, Virginia, the national headquarters of the ANP. Fleming allows Rockwell to use this building free of charge and also makes periodic contributions to the ANP. He sent Rockwell \$150.00 during the week of July 19, 1963, when he heard that Rockwell was in jail in Emporia, Virginia.

Charlie Johns, reportedly the president of the Florida State Senate, has written several sympathetic letters to Rockwell and he may be also making some contributions.

The regular ANP members who live at one of the headquarters buildings in Arlington, Virginia, and those who live at headquarters buildings in other cities do not pay any dues. They do not receive any salary, but are given their room and board and the uniforms they wear in connection with their picketing activities.

b6  
b7C

#### Military Penetration

Rockwell is very interested in disseminating his propaganda to members of the Armed Forces and sends literature to every serviceman whose name and address he can obtain. [redacted] who is attached to Headquarters Company, Second 501st Infantry at Fort Bragg, North Carolina, is presently a member of the ANP and makes periodic trips to ANP headquarters in Arlington, Virginia. Other soldiers from Fort Bragg, names unknown, have written letters to ANP headquarters asking how they can join the Party.

#### Foreign Operations

Rockwell's former wife, who divorced him in Iceland is now living in Iceland with four or five children born of this union. Rockwell has many friends and contacts in Iceland who appear to be sympathetic to his cause, the identity of whom are unknown to the source.

Rockwell is planning to arrange for a take-over of the government of Iceland in the event he is convinced that he has no chance of gaining political power in the United States. He feels he will have no trouble in actually taking over the government in Iceland; however, he is concerned about his ability to keep control once he has taken over.

During the Fall of 1963, exact date unknown, Rockwell is planning to have a world congress or meeting of the World Union of National Socialists, of which Rockwell is the head. The exact location of this meeting is unknown, but it is believed that it will possibly be in Argentina. Rockwell has been banned from Argentina, but he will arrange to "slip in the back way" and have the meeting even though he is banned. The exact details of this operation are unknown.

Characterizations of the ANP, FAN and WYC are attached.

WHITE YOUTH CORPS

On February 15, 1962, [REDACTED], Self-admitted Illinois Commander, American Nazi Party, characterized the White Youth Corps as one which he established for the purpose of recruiting high school students into the Fighting American Nationalists. He said he placed one [REDACTED] in charge of the White Youth Corps.

b6

On March 23, 1962, [REDACTED] stated it is anticipated that members of the White Youth Corps, when they meet the age and other requirements, will be accepted into the Fighting American Nationalists or the American Nazi Party.

This issue we print an article in the German language for our comrades in Europe. This article is the product of our German correspondent who writes under the code name "Wotan, Fighter for Freedom".

Wir Kämpfer!

Nationalsozialist zu sein heißt: Mensch und Kämpfer zu sein.

Die Verdummungsmethode zionistische Kreise in Europa und Amerika ist ungeheuerlich. Nach dem für Europa fürchterlichen Krieg, in welchen der Ordnungszustand Deutschland von der zionistischen Brut hineingeworfen worden war um diese einzig in der Weltgeschichte dastehende Nation, die ohne jüdischen Einfluß war, zu vernichten.

Großdeutschland unter seinem Führer Adolf Hitler, unserem Vorbild und Verkämpfer für eine Neuordnung der Welt, hielt sich 6 Jahre. 6 lange, blutige Jahre dauerte der Widerstand europäische Freiwillige und deutscher Soldaten gegen zionistisch-bolschewistischen Imperialismus.

Nicht Deutschland verlor diesen Krieg. Die Weiße Rasse verlor und wurde verniedrigt in eine Welt der Dummheit, Verblendung und Verklärung.

Deutschland heute ist zerschmettert, gebrochen in seine Seele. Zionistische Enklaven beherrschen die Wirtschaft, die Politik, die Vorgangungsindustrie und das öffentliche Leben.

Adolf Hitler der große Führer des National-Sozialismus wird heute in der von der zionistischen Presse als Verbrecher und Massenmörder dargestellt.

Über solche dummen Thesen können wir nur lachen. Aus ihnen erheben wir, wir Kämpfer Adolf Hitler die jüdische Brut schon in der kurzen Zeit seiner Herrschaft für ihre Verbrechen an der Menschheit bestraft hat. Angst und Furcht sprach er den Angriffen der Juden. Adolf Hitler brachte Ordnung nach Europa. Disziplin, Selbstbestimmung, Frieden und Freiheit herrschten in Deutschland, solange die jüdischen Bastarden 1939 in den Krieg hineingeworfen worden war. Deutschland in Europa kämpften um seine Freiheit. Hunderttausende von Freiwilligen setzten sich zum Kampf gegen den Zionismus-Bolschewismus.

In seiner ungeheuren Verblendung unterstützte Amerika die Zionisten und somit den Bolschewismus. Amerika ist der bedeutendste Industriestaat und damit auch von größter Interesse für das Weltjudentum. Ein großer Teil der Wirtschaft der USA ist in jüdische Hand und die gesamte Politik wird von Juden kontrolliert und bestimmt, damit ja nichts gegen den großen sozialistischen-bolschewistischen "Kampf" unternommen wird. Amerikas Ansehen ist durch schon sehr lange Zeit während sich die Bolschewisten freuen und unterhalten einen Staat in der...

In Deutschland werden NS-Organisationen verboten. Die Kameraden in Gefängnisse und Buchhäuser verschleppt. Glaubt der Zionismus damit etwa das Kuernwachen zu verhindern? Wir werden diesen Bastarden zeigen was Selbstbestimmung, Freiheit und Nationalsozialismus heißt!

Die Juden werden aussiedet, vernichtet und beseitigt worden, damit dieses Gift endlich die Nation nicht mehr beherrschen kann.

Die wunderbare Ideologie des Nationalsozialismus wird Sieger bleiben, gegen den Imperialismus und Okkupantismus Jüdischer-Kreise.

Adolf Hitler ist unser großes Vorbild, der Kämpfer für die Freiheit, für die Freiheit der Rassen.

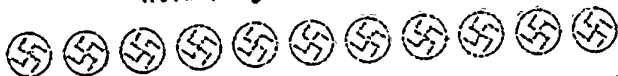

Erwachtet Ihr Völker; kämpft um die Freiheit Euer Interessen, denn der Sieg des Nationalsozialismus steht vor der Tür.

The masked nationalist group, the National Renaissance Party, has made large gains in the past few weeks. Recruiting for the new uniformed group, the SE, has gone well, and several successful rallies have been held. One meeting, however, was lost due to cancellation.

In the above photo we see the new SE Commandant, Ed Cassidy, addressing a NRP rally. Mr. Cassidy recently completed a two months sentence for writing anti-Jewish slogans on walls.

This editor has received many inquiries concerning the non-German // volunteers. At a latter date I will devote a whole issue of the Fascist to this subject. I may even issue a special magazine type format on this subject. In this issue, however, I will limit myself to describing the history of one such volunteer. This will give the reader some idea of the calibre of these men.

SS Sturmabführer Christian F. von Schalburg, a Danish citizen (of Nordic-Baltic stock) he served in the Danish Army and rose to the rank of Lieutenant-Captain. He joined the Danish National Socialist Party, and in 1958 was appointed youth leader for the Party.

Re: March on Washington  
August 28, 1963

On August 12, 1963, a source who has furnished reliable information in the past, made available a copy of the August 8, 1963 issue of the "Intra-Party Confidential Newsletter", a publication of the American Nazi Party (ANP), 928 North Randolph Street, Arlington, Virginia. George Lincoln Rockwell is the self-styled National Commander of the ANP.

The following information appears in this newsletter:

National Headquarters of the ANP has been "overwhelmed" by the huge new flood of inquiries and pledges of support with respect to the ANP counter-demonstration against the National Association for the Advancement of Colored People (NAACP) scheduled for August 28, 1963 in Washington, D. C.

Groups in the following cities have made commitments to be in Washington, D. C. on that date:

Arlington, Virginia

Alexandria, Virginia  
(White Youth Corps-WYC)

Atlanta, Georgia (WYC)

Baltimore, Maryland  
(Fighting American Nationalists-FAN)

Chicago, Illinois

Detroit, Michigan

Gardendale, Alabama

(The newly-formed WYC unit here is sending a group to Washington for the August 28 counter-demonstration).

Re: March on Washington

Hopewell, Virginia (WYC)

Jackson, Mississippi  
(A local civic group has promised to bring at least  
1500 Mississippians up to Washington for the 28th)

Jacksonville, Florida

Los Angeles, California

Milwaukee, Wisconsin

New Orleans, Louisiana

New York, New York

Norfolk, Virginia

Philadelphia, Pennsylvania (FAN)

Richmond, Virginia

Salt Lake City, Utah (WYC)

Tifton, Georgia

Willow Grove, Pennsylvania (WYC)

Not included in the above tally are many individual white persons from the surrounding states of Virginia and Maryland who are expected to comprise over 5 percent of the total turnout.

It was requested that any remaining groups expecting to send delegations should advise ANP Headquarters and that the units already listed should do everything possible to double their participation. It was added that "those of you who have been planning to come by automobile might consider the feasibility of getting a convention-type bus, as parking will pose a problem".

Re: March on Washington  
August 28, 1963

The following additional comments were made in the Newsletter concerning the August 28 counter-demonstration:

"Niggers Looking for Trouble

"The Red leaders of the nigger march on Washington originally promised D. C. Police they would meet at 10 a.m. near the White House, proceeding from there to the Lincoln Memorial. The American Nazi Party then announced it was calling on White men to assemble around the Washington Monument at dawn on the 28th.

"Now these Communist agitators decided they want to meet at the Washington Monument...at 5a.m.! It seems fairly obvious now that these people are just looking for trouble. We won't be surprised if they announce next they are going to storm the halls of Congress, in which case they will first have to march over our dead bodies. In any case, these Soviet niggers will have to bear full responsibility for any incidents resulting from their unbelievable behavior.

"Despite Communist assurances of 'non-violence', this city is bracing itself for a racial explosion. Fifteen 'first-aid stations', with two ambulances each are currently planned, to which 50 doctors and 100 medics have already been assigned.

"Health Hazard

"Officials of the District Health Department are deeply disturbed by the health problem that will be posed by lack of sanitation among the 100-odd thousand steaming blacks when they arrive here for the 28th revolution. They are also concerned about an expected rise in venereal disease.

"Communist Strategy

"The reason the Communist nigger agitators picked a week-day---Wednesday---to run riot in the streets of Washington is very simple. They figure while the White Man is tied down to his job, all the coons on relief can be recruited into a communist-led march on Washington.

Re: March on Washington  
August 28, 1963

"So here is actually what the White Man is up against in this country: While he is slaving away trying to provide for his creature comforts, four million Black savages on relief rolls are at the disposal of the Jew and Communist agitators, who can thus CALL THE SHOTS FOR AN ENTIRE NATION! Think of it! REDS THREATENING CONGRESS WITH PHYSICAL VIOLENCE IF IT DOES NOT BEND TO THE WILL OF THE COMMUNIST PARTY! This is naked Marxist terror, with the blacks as battering-rams for a Soviet America. IS THE WHITE MAN GOING TO SIT BY AND WATCH??

"Break Vicious Cycle

"While these hopped-up apes roam the streets at will, the White Man grinds away providing more welfare checks for these Niggers. Thus he digs his grave a little deeper, and insures the destruction of what remaining liberties he has. Somehow the White Man has got to get mad enough to stop the vicious Marxist cycle, or he will be completely whipped. And the time to act is NOT a couple of months from now, or next year sometime maybe ... but on August 28, 1963, in Washington, D. C. A stand has to be made once and for all!

"Fortunately, there are still enough White men who realize the situation, and have had about all the niggers and race-mixing they are going to take, and who are getting ready stirring among White Christian Americans. They are restless and looking for leadership. On the 28th the American Nazi Party has a great opportunity to provide that leadership.

"Make History, Not Excuses!

"The White Race now stands at a crossroads. Will it live, or will it die? Will your grandchildren and great-grandchildren be White, or will they be non-descript little mongrel things? Sammy Davis, Jr., who is making a special point to march for race-mixing that day, has started openly stating that he hopes your descendants look like his. Sammy isn't making excuses. He is taking an active part in fighting for the degenerate world he believes in.

Re: March on Washington  
August 28, 1963

"Where are your plans, brave White man? Where are you going to be on the 28th? We call on you personally to stand with us on that day, and make history, not excuses! If you've got to make excuses, MAKE THEM TO YOUR EMPLOYER ... NOT US!"

#### National Convention

It was stated that Commander Rockwell has announced that the ANP is holding its first National Convention in Arlington, Virginia on August 28 and 29, 1963. This convention will start the evening of August 28, following the mass counter-demonstration in Washington and will continue throughout the following day.

#### Leadership Training Course

A three-day leadership training course will be held at National ANP Headquarters in Arlington, Virginia from August 30 through September 1, 1963, immediately following the ANP National Convention. As many as possible were urged to attend, "especially those planning serious political activity in their home communities."

"Qualified Party officers will cover every aspect of National Socialism as well as ANP techniques and procedures. The registration fee of \$5 will be payable upon enrollment August 30."

#### Foreign

It was mentioned that European "patriots" recently inscribed the words "Hitler Was Right" over the "holy ruins of the Berghof", the retreat of Adolf Hitler. Also appearing were two large swastikas with the name "World Union of National Socialists".

Re: March on Washington  
August 28, 1963

The American Nazi Party was mentioned in an interview of Franz Pfeiffer, head of the Partido Nacionalsocialista Chileno (PNC), which was carried over Radio del Pacifico in Santiago, Chile, on August 1, 2 and 4, 1963. The PNC is supporting General Horacio Gamboa, "a prominent anti-Jewish military man currently running for public office".

Virginia Speaking Tour

On August 12, 1963, George Lincoln Rockwell advised he will deliver speeches in the State of Virginia in order to obtain supporters for the ANP counter-demonstration on August 28, 1963, against the NAACP mass demonstration scheduled to occur in Washington, D. C. on that date, as follows:

Lynchburg, Virginia  
August 17, 1963

Danville, Virginia  
August 18, 1963

Charlottesville, Virginia  
August 24, 1963

Richmond, Virginia  
August 25, 1963

The above speeches are scheduled to start at 7:30 PM on each date, however, he said he did not know the location in each city where he will speak.

In addition, he plans to speak at a "rally" in "Judiciary Square", Fifth and E Streets, Washington, D. C., at noon on August 26, 1963.

Rockwell also informed that he will file a petition before the Virginia State Supreme Court, Richmond, Virginia,

Re: March on Washington  
August 28, 1963

on August 16, 1963, seeking an injunction against various city officials in smaller towns throughout the State of Virginia who have declined to allow him to speak in those towns. If this injunction is granted, he plans to deliver speeches in a representative number of these smaller towns between now and August 28, 1963.

Characterizations of the ANP, FAN and WYC appear in the Appendix section attached hereto.

Re: American Nazi Party

"The International Nazi Fascist"

During an interview with Daniel Burros on January 15, 1963, at New York, New York, by a Special Agent of the Federal Bureau of Investigation, Burros advised that "The International Nazi Fascist" is a newsletter he occasionally published from Suite 535, 156 West 42nd Street, New York 36, New York. Burros advised that this newsletter serves no serious purpose, but merely enables him to stay in touch with various Fascist groups throughout the world and endeavor in which he is vitally interested.

Sam Burros

During the above interview with Burros on January 15, 1963, he furnished the following information concerning himself. He is a white male, American, born March 1, 1917 at Bronx, New York, and currently resides at 111-58 119th Street, South Ozone Park, Queens, New York. He is employed as a printer with the Blue Ribbon Printing Company, 108 Park Row, New York, New York.

Burros admitted that he had formerly been a member of the American Nazi Party (ANP) in Arlington, Virginia, but in 1961 broke away from the ANP and came to New York City where he helped form the American National Party. In September, 1962, he resigned from this latter group due to a disagreement.

Re: American Nazi Party  
Registration Act;  
Racial Matters

Characterizations of the ANP and the American National Party are attached, and all sources therein have furnished reliable information in the past.

Burros further advised that since resigning from the American National Party, he has rented space at Suite 536, 152 West 42nd Street, New York 36, New York. This is really only a mail answering service through which he remains in contact with various Neo-Nazi type groups in Europe and occasionally publishes "The International Nazi Fascist". He has also had some recent correspondence with George Lincoln Rockwell, the self-proclaimed leader of the ANP. Burros advised that although Rockwell remains friendly to him, Rockwell has informed him that he, Burros, can never regain re-entry into the ANP because of the existing animosity between Burros and other ANP members.

Other confidential sources familiar with various Nazi like activities in the New York City area were contacted during August, 1963, relative to "The International Nazi Fascist" and Dan Burros, but they could furnish no additional information to that outlined above.

APPENDIX

AMERICAN NATIONAL PARTY

On August 1, 1962, a source advised that the American National Party was formed in New York City on November 24, 1961, and was then composed of DAN BURROS, [redacted] and [redacted] all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with GEORGE LINCOLN ROCKWELL, ANP leader.

The source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

The February, 1963, issue of "Kill! Magazine" published and distributed by the American National Party, carried an article by [redacted] entitled "The American National Party is Dissolved."

On April 3, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department, who is familiar with the activities of the American National Party and similar organizations operating in the New York City area, advised that the American National Party is no longer in existence even though Post Office Box 191, Gracie Station, New York 28, New York, is still leased by [redacted] who had been leader of the now defunct American National Party.

AUGUST 16, 1963

MARCH ON WASHINGTON  
AUGUST 28, 1963

On August 15, 1963, Chief of Police E. PRESTON PRICE, Harrisburg, Pennsylvania, Police Department, advised that ROY E. FRANKHOUSER and [redacted] had been in the City of Harrisburg, Pennsylvania, on August 15, 1963, as they had advised the Mayor's Office by letter in the recent past. They had not contacted the Police Department on August 15, 1963, either in person or by telephone, to advise they were going to picket in the city and pass out leaflets. As a result, their presence in the city became known to the Police Department on the basis of a telephonic complaint to the Police Department at the Noon hour. As a result, Chief PRICE stated that FRANKHOUSER and [redacted] were not allowed to distribute handbills, but were taken by squad car at their request to the steps of the State Capitol, where, during the lunch hour, they picketed in front of the State Capitol. They were dressed in walking shorts and had the American Nazi Party Swastika Emblem as arm bands. FRANKHOUSER said they represented the American Nazi Party and were conducting a hate march through parts of Pennsylvania in opposition to the pro-integrationist march on Washington, August 28, 1963.

b6  
b7C

A characterization of the American Nazi Party appears in the Appendix.

FRANKHOUSER and [redacted] carried two placards publicizing the fact that they were on a "Hate Hike" through Pennsylvania to recruit Pennsylvanians to go to Washington August 28, 1963, and counter the civil rights demonstration. FRANKHOUSER said the American Nazi Party is against race mixing and the Communist conspiracy.

After approximately an hour of parading on the Capitol steps, FRANKHOUSER and [redacted] were taken by squad car to the bus station, where they boarded a bus to go west on the turnpike, and stated they were going to the Midway service area, Exit 11, Bedford, on the Pennsylvania Turnpike.

# Nazis Plan Own March On Capital

Lynchburg, Va., Aug. 21 (AP)

—An enthusiastic crowd of 500 persons heard George Lincoln Rockwell, head of the American Nazi Party, speak last night. He called for volunteers to aid him in his countermarch on Washington next Wednesday.

Rockwell was interrupted in the City Armory speech frequently during his hour-long speech by applause from a crowd made up mainly of teenagers.

the Daily Worker to attempt to ucaated former naval commander told the crowd the only way to stop the "Communist race-mixers" is to stand up and meet them in the streets.

"Don't make excuses, make history on Aug. 28," he cried, "and be with us at the Washington Monument at dawn."

Rockwell has been canvassing in Virginia for volunteers for his countermarch against the massive civil rights demonstration planned by Negroes for next Wednesday in the nation's capital.

He used what purported to be U. S. government documents, Georgia Commission of Education documents and copies of the Daily Worker to attempt to show that the integrationist movement is Communist-inspired.

He said the main difference between what he termed the white people of the nation and the Negroes and the Jews is that the two minority groups stay united, while the white people "cancel out" each other's votes by being divided between the Democratic and Republican Parties."

[redacted] was interested in  
doing a news story on the  
Aug. 28th. march.

"The first subject discussed, was the arrest of some Nazi in New York recently. Some members said they did not think these people belonged to the A.N.P. (They were arrested for possession of guns in a truck). [redacted] assured everyone that they were Nazis. One of these Nazis was a Lt. [redacted] of New York. [redacted] told how he was beaten and tortured by N.Y. Intelligence officers for 8 days. [redacted] then passed around about 10 colored and black and white photographs which allegedly show damage to his body.

[redacted] made a speech about the Aug. 28th. rally. He stated 'This is what we have been training for for 5 years! 'We can't lose.' 'The American people have had it up to here, they're ready for someone to lead them.' [redacted] made the statement that the negroes and communists were going to riot and this

AMERICAN NAZI PARTY, etc.

would show the people what kind of savages they are. He also said that it would be just like a communist to shoot some negro leader and blame it on someone else.

[ ] said some rich friends of the A.N.P. was willing to charter a bus to take back to Washington. if the Nazis could fill it. [ ] said a letter has been sent to the Bus Company to inquire. (A short time later, he said things were so bad financially. that it looked like [ ] and [ ] were going to have to hitch hike back. I later asked [ ] about [ ] and [ ] and he said [ ] was now out of work and might not go and [ ] was still thinking it over. [ ] told me possibly he and [ ] will go on [ ] motorcycle.

b6  
b7C

"Next, [ ] said that he was proud to announce that 'Keep America White Committee' was now a state-wide organization. He said the response they have received from the mail they are putting out has been by far the best yet. [ ] said he is getting help from people who are sympathetic to the cause but can't afford to come to Nazi meetings or to be connected.

[ ] said this response was a further indication that the people were fed up with things as they are.

[ ] brought a couple of large bundles of 'Keep America White' material that he said he wanted to have someone help him put in envelopes.

AMERICAN NAZI PARTY, etc.

[ ] handed everyone the August 1, 1963, copy of the Rockwell Report, which is dedicated entirely to 'Is MARTIN LUTHER-KING a communist?' [ ] had several members read and they went through the whole report. [ ] kept asking 'Is there any doubt in anybody's mind' and he would slowly look around at everyone.

"During this meeting, I sat next to the fellow named [ ] who I later found out from [ ] has a last name of [ ]. He was about 25 years of age, 5'8, and wore glasses. He appeared to be well-versed on the Nazi politics and gave the Nazi salute (not in uniform). [ ] later told me that [ ] is going to college and [ ] told me he is studying anthropology. As soon as [ ] told [ ] he could take a picture, [ ] jumped up and left the house.

b6  
b7C

[ ] claimed that the A.N.P. now has a couple of Congressmen who are almost ready to come out in the open for the Party. He claims they have had friendly Congressmen in the past, but none wanted to have it known. [ ] said the party is getting help from the John Birch Society. He claims the Birchers stand for the same things they do and now the Birchers are splitting between those who are open racists and those who want to keep it hidden.

AMERICAN NAZI PARTY, etc.

[ ] told [ ] to answer just 'Yes' or 'No' to 'Have you made contact with our spy in Core?' [ ] said he was unable to thus far.

[ ] took me into his bedroom to give me some pictures I had asked for (pictures of their war play in Palos Verdes) and I observed a rifle hanging on the wall with a sign 'Danger, loaded gun.' He took it down and showed it to me. It is an 8mm rifle with scope sight. He said it was a German sniper gun. He pulled the clip out. It holds 10 shells. [ ] said he was converting the clip by adding one onto the bottom with a double spring so that he can fire 20 shots without reloading. [ ] came in at this time, and stated that all he has now is a 45 Cal. automatic and a carbine. He did not display them. [ ] told me he wanted to get a machine gun (He stated the numbers or model) that had been made inoperative. He said it was a shame to ruin good guns like that. He said you can get them at any collectors.

b6  
b7C

"The unidentified youth at this meeting said very little except that he lived in Westchester. He was unwilling at first, to have his picture taken, he asked if this would be seen in Westchester, [ ] told him it wouldn't, so he consented. He said he didn't want his mother or father to see it.

AMERICAN NAZI PARTY, etc.

[ ] called for the ceremonies to start. [ ] told the group that he was promoting [ ] to Storm Leader (roughly sergeant). [ ] said [ ] did not have enough actual time or experience but he was a good worker. [ ] congratulated [ ] and the whole bunch gave a loud salute. Next, [ ] was presented 'The Coveted' Adolph Hitler Award for his part in the Shrine Riot. [ ] said he was sorry but had not had a chance to actually get the medal, yet, but he would.' Then the usual salute.

[ ] said [ ] was supposed to arrive at the meeting, but hadn't as yet. [ ] said he has been instructed to commission [ ] as an acting Lieutenant. [ ] also commented that [ ] was 'nt qualified either, but was a temporary arrangement and would just be for a short time.

b6  
b7C

"Next, [ ] called up [ ] and Mrs. [ ]. They stood before [ ] holding hands. [ ] said there was no medal or promotion that he could give them because they were just associate members, but he wanted to thank them personally for all they have done, 'the use of the house for meetings, the sewing of uniforms, passing out material and agitating. [ ] said he would like to present them with a letter of commendation for their hard work. [ ] then apologized, saying he has been so busy he has not had time to type the letter.)

AMERICAN NAZI PARTY, etc.

[ ] asked [ ] if the Burbank demonstration was still scheduled for the 28th., and [ ] told him to shut up. It is unknown what this means.

"After the ceremonies [ ] invited [ ] to take the pictures he wanted for an Aug. 28th. story. I went into the kitchen. [ ] told me he thought he was rising too fast in the Party. He also told me to come again any time and he would stop by the Police Department and see me before he goes."

Sergeant [ ] submitted an addendum to the above statement, which reflects in substance that on August 19, 1963, Lieutenant [ ] and [ ] stopped in the HBPD to pay a "social call." The addendum to [ ] report was a result of the conversations with [ ] and [ ] at this time and the pertinent addendum to the report is set forth as follows:

b6  
b7C

[ ] said everything was going fine for the 28th March in Washington-D.C. He said that he had received a telephone call this morning from ROCKWELL. ROCKWELL requested that California members send money instead of coming to headquarters. ROCKWELL claimed the headquarters building is busting at the seams with troopers and he needed money to help feed and house them. [ ] said he was out 'gathering money.'

[ ] said that he and [ ] were going any way. They are going to start hitchhiking tomorrow at about 10:30 am."

AMERICAN NAZI PARTY, aka.

[ ] ask me if I had read today's Times newspaper. I told him I had not. He stated that he read this morning that the A.N.P. was involved in a demonstration Saturday night in Torrance. He said none of his group was there, in fact, they did not know about it until this morning. He said it was great, they got the party name in the paper and weren't even there. He thought it was great.

[ ] ask me if I had heard about their success in Phoenix a few weeks ago. He said they were going back in October to picket again and try and get someone there interested in starting a division.

[ ] said that they expected to be swamped with mail after the 28th. He said people would be writing to find out about his group and some would be wanting to join.

[ ] said it looked like they would have a headquarters building here in this area before Christmas.

[ ] told me that I was still welcome to come to any meetings while [ ] was gone and to bring a friend if I wanted to."

On August 21, 1963. Sergeant [ ] telephonically advised he had questioned [ ] about whether or not [ ] former leader of the ANP in Los Angeles, was planning to go to Washington, D. C. for the march in that city on August 28, 1963, and [ ] indicated to him that [ ] was completely inactive at the present time, that he did not plan to go to Washington, and that

AMERICAN NAZI PARTY, etc.

no one associated with him planned to go to Washington for the march on August 28, 1963.

On August 22, 1963, [ ] advised he talked to [ ] on August 21, 1963, and [ ] told him that [ ] had left the Los Angeles area, hitchhiking to Washington, D. C.; but that he, [ ] could not go because of a scheduled court appearance concerning his arrest at the Shrine Auditorium on April 28, 1963. [ ] pointed out that [ ] arrest on April 28, 1963, was a result of his participating in a picket line by the ANP of a salute to Israel, resulting in altercations among those in attendance at the celebration and the ANP picket line.

[ ] also told [ ] that [ ] had been promoted to Captain in the ANP, and [ ] intimated that they had received information that the officers of the ANP would be arrested in Washington, D. [ ] also reported that [ ] had been promoted to Lieutenant in order to take charge of the Los Angeles Office of the ANP.

On August 21, 1963, a source, who has furnished reliable information in the past, furnished a mimeographed copy of a communication being distributed by [ ] for the National Committee to Keep American White, also known as Keep America White, Box 738, Glendale, California. This communication is quoted as follows:

"August 28th is the day the Communist Party has been preparing for. For years our Country has been socialized and communized so gradually that Americans have been lulled into suicidal apathy. Warning after warning has been sounded by students of treason, and yet the Communist conspiracy has moved forward so patiently and so skillfully that many otherwise intelligent citizens have come to view these warnings only as mere cries of 'wolf.'"

A source has advised that the American Nazi Party, Los Angeles, California (ANPLA), which branch has also been known as the American Nazi Party, Western Division (ANPWD), came into existence as follows:

In October, 1960, one [ ] was made a member of the American Nazi Party (ANP) by the national headquarters of that group as a result of his leading a picket line protesting the marriage of a Negro to a Caucasian. At that time [ ] told the Los Angeles Police Department he was in complete accord with the thinking of GEORGE LINCOLN ROCKWELL, National ANP leader. He said he, [ ] is trying to wake up the people to what is going on; that the Jewish-owned press and radio would not let the people know the truth.

On March 7, 1962, GEORGE LINCOLN ROCKWELL advised a Special Agent of the Federal Bureau of Investigation that [ ] was one of his leaders in Los Angeles.

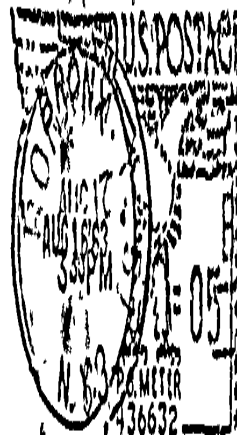

The source mentioned above advised that as of April 19, 1962, [ ] was the only leader of the ANPLA.

RE: MARCH ON WASHINGTON  
AUGUST 28, 1963

On August 22, 1963, a source who has furnished reliable information in the past advised that Major [redacted] American Nazi Party (ANP) Headquarters, Arlington, Virginia, had informed as follows:

George Lincoln Rockwell, National Commander of the ANP, spent the night of August 21, 1963, in the vicinity of White Sulphur Springs, West Virginia, but arrived there after conclusion of the Southern Governors Conference and was unable to accomplish his purpose. The specific reason for Rockwell's trip to White Sulphur Springs was not mentioned.

Rockwell returned to Charlottesville, Virginia, on August 22, 1963, and registered at the Cardinal Motel, Charlottesville. He was scheduled to deliver a speech at the City Recreation Center, Charlottesville on August 22, 1963, urging white people to appear in Washington, D. C., on August 28, 1963, to counter demonstrate against the National Association for the Advancement of Colored People (NAACP). In addition to ANP members,

[redacted]  
who were already with Rockwell on this trip, eight additional ANP members from Arlington, Virginia, will attend Rockwell's speech and will travel in a tan Corvair bearing District of Columbia license [redacted] and a Volkswagen bearing Virginia license [redacted]

RE: MARCH ON WASHINGTON  
AUGUST 28, 1963

Rockwell will return to Arlington, Virginia, late on the evening of August 22, 1963, or early on the morning of August 23, 1963, inasmuch as he is scheduled to be interviewed by "some newspaper reporters" at the ANP Barracks, 6150 Wilson Boulevard in Arlington, at 10:00 A.M., on August 23, 1963.. At 11:00 A.M., on August 23, 1963, he is supposed to appear at a meeting in the office of Captain [ ] Metropolitan Police Department, Washington, D. C.; however, Rockwell had not been advised of this appointment at the time Major [ ] was talking with the source.

[ ] a lieutenant in the ANP from New York City, came to ANP Headquarters in Arlington, Virginia, on August 21, 1963, in order to discuss his pending trial in New York City on charges of "criminal anarchy," "inciting to riot," "conspiracy" and "working to overthrow the government." [ ] was arrested in New York City on July 14, 1963, in connection with a picketing incident at the White Castle restaurant in that city. He will remain in Arlington until after the ANP counter demonstration in Washington, D. C., on August 28, 1963.

b6  
b7C

The ANP now plans to operate a "shuttle" system to deliver ANP members from the ANP Barracks, 6150 Wilson Boulevard, and ANP Headquarters, 928 North Randolph Street, both Arlington, Virginia, to the Washington Monument on the morning of August 28, 1963. Two automobiles will be used, one will leave from the Barracks and one will leave from ANP Headquarters. These cars will make as many trips as necessary to deliver all the ANP members and, when the last loads are delivered, the drivers will return the cars to Arlington. The drivers will then remain in Arlington, one remaining at the Barracks and the other at ANP Headquarters. It is not known just when the ANP demonstrators will leave Washington, D. C., or how they will travel back to Arlington.

RE: MARCH ON WASHINGTON  
AUGUST 28, 1963

The ANP demonstrators will not wear their "Nazi" uniforms or armbands and will diligently try not to create any sort of incident during the course of their appearance on the Washington Monument grounds. The matter of having some sort of armband to identify ANP members to each other is being discussed, but no definite decision has been made in this respect.

Rockwell is trying to make arrangements for a speech somewhere in Alexandria, Virginia, on August 26 or August 27, 1963, but, to date, he has had no success in this endeavor. The ANP is still receiving requests for Rockwell to deliver a speech in Manassas, Virginia, and there is a possibility that he may be able to speak over the facilities of a new radio station in that town. In the event arrangements can be made for the speech in Alexandria, Rockwell will not speak in Manassas.

Two new ANP members, namely, [redacted] from Forkel River, New Jersey, and [redacted] from Ravenna, Ohio, are to be dropped from the rolls on August 23, 1963, because they are "just too lazy." [redacted] and [redacted] were to attend Rockwell's speech in Charlottesville, Virginia, on the evening of August 22, 1963, and if, perchance, they might "do something outstanding" consideration will be given to allowing them to remain as ANP members. Otherwise, they will be dropped and told to return to their respective homes immediately without remaining to participate in the counter demonstration on August 28, 1963. If they are dropped, they can, as long as they pay their dues, be associate members of the ANP and can receive ANP literature, but they cannot live at the ANP Barracks.

Re: American Nazi Party

On August 20, 1963, a source who has furnished reliable information in the past, made available a copy of the August 15, 1963, issue of the "Intra-Party Confidential Newsletter", a publication of the American Nazi Party (ANP), 928 North Randolph Street, Arlington, Virginia. He added that this newsletter is usually written by George Lincoln Rockwell, self styled National Commander of the ANP, however, it appears that the current issue was written by another ANP member.

The following information appears in this newsletter:

"Dozens of speaking invitations for the Commander have been pouring into here from universities, and groups of towns-people in Southern Virginia. Lack of money will prevent the Commander from keeping all but a few relatively close engagements."

It was mentioned that "the nation's most controversial speakers, including Commander Rockwell, have been invited to attend a sort of 'convention' soon at Trenton College in Trenton, New Jersey, called by a student group. The 'convention' is to allow the controversial speakers to explain to students why they should be allowed to address students at various universities. Because of their controversial natures, all of the speakers have been banned numerous times at various universities. This will enable them to speak against such banns and should have the end result of getting the Nazi viewpoint before more people."

Re: American Nazi Party

It was pointed out that James Madole and several members of his National Renaissance Party (NRP) were recently arrested in New York City and added that "although we are in sharp disagreement with the NRP on ideological and tactical points, we will never hesitate to go to bat for any fighters for the White Race when they are being unjustly persecuted." The facts of this arrest were set forth as follows:

"Last July 14, three members of the NRP were arrested by a Bronx police station, where they had gone to complain of being assaulted by niggers at a White Castle restaurant, being picketed by the niggers. Special 'anti-Nazi' police claim they found guns in the truck the men arrived in, whereupon ALL the men were arrested for 'Criminal anarchy', 'inciting to riot', 'conspiracy', 'working to overthrow the government' and violation of the weapons law. Not satisfied with this, a few hours later, the Nazi haters went off on a hysterical arrest tangent, barging into people's homes, and grabbing James Madole, NRP leader, a few more of his members, and American Nazi Party Lt. [redacted] who was in New York, on leave, and visiting with his mother at the time! Everyone was charged with the same ridiculous charges of 'criminal anarchy', 'conspiracy' and the rest. Bail was set as high as \$7,500 for some, and \$5,000 for the rest. The brave White Men were all locked in the clink. Knowing the crazy charges wouldn't hold water, the 'anti-Nazi' cops tried to beatt the men into signing phony confessions. Lt. [redacted] reports he was beaten unmercifully, in an attempt to get him to confess to all kinds of 'conspiracies', some of which would have involved Commander Rockwell and other Party officers. But Lt. [redacted] courageously stood fast, despite the beating. When bail was finally raised, it was necessary to rush Lt. [redacted] to the hospital because of the injuries incurred in jail. (This writer saw the gashes and bruises on his body) Among the 'weapons' confiscated in the second 'arsenal' was a collection of inoperable relics, including a crossbow, from the various wars in history. This belonged to the brother of one of those arrested, whose hobby is war-souvenir collecting."

b6  
b7c

Re: American Nazi Party

"All those in New York area should assist Lt. [redacted] who can be contacted at [redacted] New York 9, New York".

"The Keep America White Committee, Box 738, Glendale, California, which has been doing a 'terrific job', has been blasted by the 'Jew-press' as a 'Nazi front' which is actually run by Lt. [redacted], West Coast leader of the American Nazi Party. Californians: A word to the wise is sufficient."

b6  
b7c

(A second source who has furnished reliable information in the past, advised that Post Office Box 738, Glendale, California, was rented on June 26, 1963, by [redacted] for the ANP, 928 North Randolph Street, Arlington, Virginia. He added that literature using this box number has been distributed under the title "Citizens to Keep Glendale White Committee." )

The State of New Hampshire has announced that it is going to conduct an investigation of the ANP and Commander Rockwell has offered to be of full assistance. "Such investigations, of course, give us wide publicity and a tremendous opportunity to present our views to the public. The State of Florida also plans to conduct an investigation and latest word has it that they'll even fly the Commander down there to testify."

The following was stated with respect to conservatives who have started to lend their support to the ANP:

"Yes, one by one former conservatives, or rather ex-conservatives, are beginning to give up 'nice' methods in favor of the more practical up-to-date Gas Chamber approach to the problem of Jew traitors. Last week saw another top conservative come around, though we cannot announce it yet. We are taking all precautions to protect his identity until the proper moment."

Characterizations of the ANP and the NRP are attached.

All of the above, with the exception of [redacted], wore  
swastika armbands.

The literature which was distributed urged white men  
to participate in a counter-demonstration to Negro march on  
Washington, D.C. on August 28, 1963. The literature further  
advised that this counter-demonstration is sponsored by the  
American Nazi Party (ANP), 928 North Randolph Street, Arlington,  
Virginia and that additional information and leaflets can be  
obtained from the ANP of New York, Post Office Box 130, New York

A characterization of the ANP is attached hereto and  
sources mentioned therein have furnished reliable information  
in the past.

FEDERAL BUREAU OF INVESTIGATION  
Richmond, Virginia

August 26, 1963

Re: March on Washington,  
August 28, 1963

On August 21, 1963, a source, who has furnished reliable information in the past, advised that Major [redacted] American Nazi Party (ANP) Headquarters, Arlington, Virginia, had informed him as follows:

George Lincoln Rockwell, National Commander of the ANP, who delivered a speech in Lynchburg, Virginia, on the evening of August 20, 1963, urging white people to appear in Washington, D.C., on August 28, 1963, to counter-demonstrate against the National Association for the Advancement of Colored People (NAACP), left Lynchburg on August 21, 1963, for White Sulphur Springs, West Virginia, because the Southern Governors Conference was being held in that city. He was accompanied on this trip by ANP members [redacted] and [redacted] and they were traveling in a 1953 Cadillac bearing 1963 Virginia license [redacted]

Rockwell is scheduled to speak in Charlottesville, Virginia, on August 22, 1963, and will return to Arlington, Virginia, on August 23, 1963. Then, on August 26, 1963, he will speak in "Judiciary Square", Washington, D.C. The ANP has received several requests from people in Manassas, Virginia, asking that Rockwell speak in that town, however, no commitment has been made for a speech there, and no decision will be made until Rockwell returns to Arlington. If Rockwell agrees to speak, he will probably go to Manassas, on or about August 24, 1963.

b6  
b7C

On August 21, 1963, R. O. Brooks, Chief of Police, Lynchburg, Virginia, advised that George Lincoln Rockwell told him on that date that he planned to go to White Sulphur Springs, West Virginia, in order to meet with one of the Southern governors. Rockwell did not identify this governor, but said the governor had asked Rockwell to come to White Sulphur Springs and meet with him.

Re: March on Washington,  
August 28, 1963

The above source also advised that, according to Major [redacted] a former member of the ANP, and [redacted] an ANP member in Los Angeles, California, are presently at ANP Headquarters in Arlington, Virginia, in order to be present for the March on Washington counter-demonstration scheduled by the ANP for August 28, 1963. [redacted] will remain in Arlington for about a month and [redacted] is expected to remain indefinitely.

[redacted] informed the source that the plans to attend the Government Educational Foundation (GEF) School of Politics being held at the Continental Hotel in Washington, D.C., on August 26, 1963. [redacted] explained that the GEF is a name being used just for this meeting. Two organizations participating in this meeting are the Liberty Lobby, whose members are also members of the John Birch Society, and the Young Americans for Freedom, a "Jewish" organization headed by [redacted] from New York City. [redacted] added that he has made arrangements to attend this School of Politics on behalf of the ANP, although no one connected with GEF knows that he is with the ANP. b6 b7C

[redacted] explained to the source that about 100 ANP members from various parts of the country are expected to be in Washington, D.C., on August 28, 1963, and he has no way of estimating how many other white men will be there to participate in the counter-demonstration with the ANP. He said that only "old time" ANP members will be housed at the ANP "Barracks", 6150 Wilson Boulevard, Arlington, Virginia, and that the other members are being told not to come to the "Barracks" or to ANP Headquarters, 928 North Randolph Street, Arlington. They are being urged to find their own housing accommodations and to appear at the Washington Monument grounds at dawn on August 28, 1963, at which time they will be given instructions by Commander Rockwell.

A characterization of the ANP is attached.

## Rockwell Plans Counter-March

CHARLOTTESVILLE, Va., Aug. 23 (AP).—At least 12,000 persons will conduct a counter-demonstration during the Aug. 28 civil rights march on Washington, says George Lincoln Rockwell, head of the American Nazi Party.

Addressing 150 persons at the Charlottesville recreation center last night, Rockwell said counter-demonstrators will mass at the Washington Monument early on the morning of Aug. 28. He did not indicate what the next move would be.

# 100 Cops Will Keep A Rein on Rockwell

By a Staff Correspondent

Washington, Aug. 28—Washington police today are convinced they can prevent any violence during the civil rights march through the use of a key tactic.

"If you see an irritant in circumstances as this," said Asst. Police Chief Howard V. Covell, "you remove it."

The police and the volunteer marshals who are to participate in the parade don't doubt for a moment that they might be faced with isolated firebrands who might threaten to ignite a riot.

But the technique they have developed is to get rid of the spark before it ignites the fire.

The cops plan to place 100 officers around American Nazi Party leader George Rockwell, the one known threat to a peaceful march. "He's got a right to parade, too," Covell said. "But there are ways of handling these things. If you remove the irritant, this doesn't necessarily mean an arrest. You can just remove it from the area."

This is the plan of the voluntary marshals, too. "We'll just surround any troublemaker and ease him out," Chief Marshal William Johnson, a New York City policeman, said.

The march of thousands of Negro and white demonstrators will continue for about a mile from the Washington Monument to the Lincoln Memorial. According to police plans, the demonstrators will walk down an armed alleyway.

There will be 1,000 policemen and National Guardsmen strung along each side of the marching area. "If anyone wants to come in and join, fine," said Covell. "If anyone wants out because he's had enough, that's all right, too. We will not interfere with anyone's freedom of movement."

The real police concern has not been a riot of civil rights demonstrators versus racists but rather what could happen whenever a crowd this large gathers under any circumstances. "We can handle them if all are peaceable," Covell said. "But we can't if they're not peaceful."

On August 28, 1963, a confidential source, who has furnished reliable information in the past, advised that George Lincoln Rockwell, leader of the American Nazi Party (ANP), had instructed [redacted] ANP member, to contact [redacted] another ANP member in New York City, to determine if [redacted] can come to ANP Headquarters, Arlington, Virginia to attend an ANP Conference which will be held there from Saturday, August 31, 1963 through Monday, September 2, 1963.

When and if [redacted] goes to ANP Headquarters, Arlington, Virginia, he will be asked by Rockwell to form in New York City chapter of an organization called "Keep America White Committee", a chapter of which has already been established in Los Angeles, California, under the direction of [redacted] an ANP member.

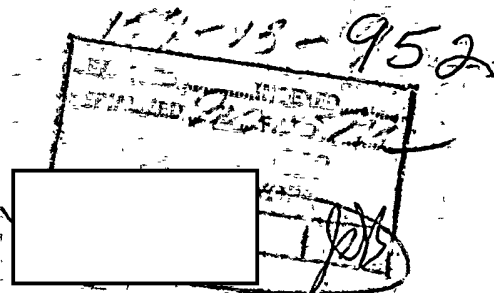

b6

The purpose behind "Keep America White Committee" will be to provide membership in an organization for people, who, although they believe in ANP principles and policies, do not wish to be connected openly with any group which utilizes the swastika for identification. This committee will also send out ANP literature, collect monies for the ANP, and participate in some ANP demonstrations.

Quiet Diplomacy at New High -

U THANT'S YEAR OF VICTORIES

UNITED NATIONS, (WUP)—The art of quiet diplomacy has one disadvantage: it puts a screen of "quiet" also on its accomplishments. Let it be noted that behind that screen sits the modest, unassuming figure of the Secretary-General from Burma, U Thant, with a string of achievements in peace any one of which could well bring him the Nobel Peace-prize.

In less than one year U Thant liquidated the Congo war; made a peaceful settlement in West Irian; is now engaged in pacifying the tensions over Malaysia, exerted a quiet influence in bringing about a reduction in East-West tensions, played a vital role in the recent twin Security Council sessions on the high emotions between the Africans and the Governments of Portugal and South Africa, and ended a threatening war around Yemen.

The qualities which he brought to bear on all these constitute a varying repertory of strength, determination, gentleness, patience and candor.

His three-days' attack in the Congo, which toppled the eighteen months of Tshombe's defiance, was a master-stroke of patient and painstaking diplomacy as long as patience worked. When this was mistaken by Tshombe for weakness, the UN forces struck quickly and ended the challenge to the unification of the Congo.

In the case of West Irian, which was already a battleground as 500 Indonesian paratroppers landed in the jungle geared for a long guerrilla war against the Dutch, U Thant worked out an accord based on a UN take-over of the area—the first time the UN actually played the role of a "local government," and ended the episode with a return of the region to Indonesia which had claimed it as part of its original territory.

Now the Federation of Malaysia, which hit another snag with Indonesia, has turned to him to send a UN mission to ascertain if the colonial areas of Borneo and Sarawak have a sufficient mandate from the people to join the Malaya-Singapore combine. U Thant accepted the chore with the stern notice that his findings should not be subjected to their judgment. They approved. At stake are the British military bases which Indonesia considers too close to her borders for comfort. A war threatened, but the tensions appear already to have let down.

The Yemen war-cloud is now well known, and the fighting which has already marked the clash of big-size armies between Saudi Arabia and the UAR constituted a dangerous spark in the Middle East. The UN truce and observer teams were arranged in U Thant's office and Nasser's no less than 23,000 troops are now almost completely removed from the region.

With a practical turn of mind and trained in Buddhist discipline, U Thant managed to make all the parties in these three areas pay for the undertakings, thus circumventing the UN financial disability as an obstacle to peace-making and peace-keeping enterprises.

In the recent Security Council sessions involving 32 African states against Portugal and the Republic of South Africa, it appeared that the Africans, highly angered by the subjection of their people to the racism of apartheid and the Portuguese war in Angola, might stage a violent attack against the colonial powers. Instead, they fought with moderation and diplomacy, much of which is attributed to U Thant's moderating counsel.

The great contribution U Thant made in getting the first agreement on the test ban as an initial step in the liquidation of the cold war is a matter of record. His first visit to Moscow, his speeches in the U.S. openly counselling the West to negotiate seriously with the Soviet Union, his going to Moscow to participate in the signing ceremonies of the treaty, and his bold statement there outlining further steps for peace, are only a few of the most obvious moves he has taken in a sustained initiative for peace among the Big Powers.

It is also significant—no doubt due to the great respect he enjoys among both Arabs and Israelis—that under his first year of active service as Secretary General there have been a minimum of incidents on the Palestine Truce lines.

The question may be asked: why do so many factions involved in disputes turn to U Thant with complete confidence? The immediate answer given is: his integrity. He enjoys the trust of all parties, all members and all factions.

Integrity may be the golden key to peace in our time. It is something to ponder as a substitute for the diplomacy of Machiavelli.

Dear Mr. Hoover:

Based on some of the past tactics of the neo-Nazis—the Rockwellites, etc.—it struck me that some of them may appear to make trouble on Wednesday's march disguised as women. Your department are undoubtedly on the watch for these disguises. These Nazis, like the Communists, as you so well know, are crafty and sly. Both group would just love to see trouble.

All best wishes.

Would "Love to See Brando Trampled to Death" -

Interviewer Finds Rockwell Ready For Bloodshed on August 28

Andrew J. Glass, NEW YORK, (WUP)—Washington correspondent for the N.Y. Herald Tribune, in an interview with the American Nazi George Lincoln Rockwell, reports that the American "Hitler" told him that he plans to be in Washington with some 10,000 supporters during the August 28th march.

Rockwell, who sat between two loaded pistols, Glass writes, warned of an explosion on August 28. "I've got to be here and will be there," the bitter Nazi told Glass. "Bobby [Kennedy] is just dying to get me...if they don't allow me to organize, God knows what will happen. If they forbid me to talk, my people will go wild and I think it could be a major national disaster. There could be all sorts of bloodshed," Rockwell boasted to Glass.

Rockwell also told his interviewer at the Arlington farmhouse headquarters of the neo-Nazi movement that he "would love to see Marlon Brando and his gang trampled to death by his friends..."

Mideast Eruption -

COMAY WARNS UN TO ACT ON SYRIAN AGGRESSION

UNITED NATIONS, (WUP)—In the August 16th column this writer stated that "the test ban agreement signed in Moscow by the three Great Powers had," in addition to "the promise of clearing the air from the poison of radiation, cleared the political atmosphere of strife and uncertainty," and that "it was generally welcomed by statesmen and diplomats as creating the right atmosphere for negotiation."

Your correspondent concluded, however, that he feared that there may be "some devils in the ointment."

Well, as we all know, the devils have already stirred themselves on the Syrian border and accomplished their murderous deed, and the quietude that pervaded the UN atmosphere since the signing of the agreement was suddenly interrupted when the Security Council met in emergency session on Friday the 23rd.

Ambassador Comay, in his calm but powerfully-convincing speech before the Council in which he made reference to this "moment in history when hope is stirring for a genuine relaxation of international tension and the resolving of conflict by negotiation," declared that it was "criminal folly, in this setting, to increase tension and endanger the peace in a brittle region in order to gain some local political advantage."

The Israeli Ambassador, who had just returned from a visit to Israel and who had asked for the Security Council meeting several days before through his Deputy here, was referring to "the wanton murder of two innocent Israeli farmers by Syrian soldiers" who had hidden in ambush within Israeli territory to commit their foul deed.

Having submitted before the Council a list of ninety-eight violations since December 4 up until August 20, and calling upon the Council to take "swift and firm action to condemn and curb" Syrian aggression, Ambassador Comay told the eleven Council members that it appeared "tempting for a Syrian regime to stir up trouble with Israel as an antidote to trouble elsewhere"; that it was tempting for the Syrians "to use this means" of murdering Israelis "for the silencing of opposition at home and for patching up a frazzled Arab unity. But," he added, "this is a dangerous and irresponsible pastime, of which the Security Council should take very serious note."

In the gravest tones, which appeared deeply to affect the delegates as well as the spectators present, Ambassador Comay declared that "the Israel Government cannot abdicate its responsibility for ensuring the integrity of its borders and protecting its citizens. In the face of murder and kidnapping, incessant harassment of our civilian population and oft-repeated threats against our very existence, our patience should not be construed as mere weakness, or our restraint as an incapacity to defend ourselves against attack. The armistice agreements," he continued, "were not meant to be certificates of immunity to belligerence. We are not prepared to be the whipping boy for the Arab world, and to have its tension and turmoil seek facile outlets across our borders."

The Syrian rebuttal, presented by Salah El Dine Tarazi, was typical of the old Arab tirades against Israel. Having been placed on the spot by Comay, Tarazi, finding it quite difficult to extricate himself from the predicament he was put in, appeared fidgety all through his lengthy speech, at times even ridiculous. It was "Esau versus Jacob" all over again in a modern version. The delegates seemed to enjoy the "show" he put up for them. The Arabs were absolutely innocent. "The Arab countries do not seek war," he said. It is "Israel" which "appears today in the guise of a lamb, but that skin covers the wolf himself." Comay, he stated, was "disguising untruths behind the mask of a clown." Thus he went on to ramble in his vain attempts to turn the tables by "proving" that Israel, not Syria, is the culprit. Certainly all the delegates, even Ambassador Fedorenko of the Soviet Union who will undoubtedly have to side with the Arab state, clearly saw through Tarazi's bluff.

But the height of Tarazi's folly came when he told the Security Council that he was authorized by his government "to affirm that the death of the two farmers had never occurred." As soon as he had made this remark, there was an outburst of laughing laughter from the spectators in the galleries. Even the delegates found his statement amusing. The nervous Tarazi, at this point, interrupted his speech, turned to the President of the Council and said in effect that the Israelis have even managed to fill the chamber with "paid" stooges.

The Friday meeting adjourned with a statement by U Thant announcing a cease-fire and promising a report to the Council as soon as General Odd Bull has submitted his findings.

March On Washington - a Modern Exodus

This is the historic week which marks the great national civil rights march on Washington and American Jewry is playing no minor role in the event.

Major Jewish organizations have made plans to participate and the American Jewish Congress has mustered a contingent of some 1600 members.

Lining the past several centuries, the Jews and Negroes have endured an almost similar fate--- in discrimination and persecution. Many of our people might have forgotten, but it is not so very long ago that we emerged out of the crowded ghettos into a freedom that has not yet fully become .. total freedom.

Anti-Semitic groups are still active in all continents and their attacks do not stop with the Jews. Their poisonous venom is directed just as strongly against the Negroes, as we all know.

Hence the importance for World Jewry of this August 28th March.

In some ways, this March is not much different from the ancient Hebrew march-Exodus out of Egypt. The Israelites, as slaves in Egyptian bondage---second-class citizens, to use the modern phrase---sought their full freedom almost in the same sense the Negroes of today, whether in the United States or in South Africa, are seeking their liberty and equal rights before God and man.

Indeed, the Exodus was the first "Freedom March" in recorded history. It not only brought freedom and liberty to the Israelites under Moses' guidance. It also set the pace for the liberty and freedom of all humanity. The subsequent Sinaitic Code became the first Charter of Human Rights known to mankind and the United Nations, through its Universal Declaration of Human Rights, has merely reaffirmed the validity thereof.

It may be important, also, during this week which is witnessing the modern Israelites espousing the cause of oppressed Negroes, that it was an African Negro, Ebed-Melech of Ethiopia, who, in Biblical times, saved the life of one of Israel's greatest prophets, namely, Jeremiah, who had been thrown into a miry pit to die for his prophecies against the kingdom of Zedekiah [Jeremiah 38].

The August 28th March is as much in the best interests of world Jewry as it is in the interests of the Negroes. It is a modern Exodus.

DAMASCUS REGIME HAD ORDERED THE OUSTER OF ITS UN DELEGATION

UNITED NATIONS, (WUP)---The Syrian delegation here under Salah El Dine Tarazi, which delegation took its seat in the Security Council on Friday versus Israel, had been ordered ousted by the Baathist regime in Damascus, it was reliably reported here by a well-informed source.

Unable to make a quick change-over for the emergency session, the Syrian Government allowed the Tarazi delegation to conduct the opening debate pending the arrival of a new delegation.

It was conjectured here that the reason for the ouster lies in the fact that the present UN group was too pro-Nasser for the good of Syria.

YORKSHIRE POST URGES UN TO ACT AGAINST ARAB AGGRESSION

UNITED NATIONS, (WUP)---The Conservative Yorkshire Post, in an editorial on the Middle East this week, urged that the United Nations "take a strong line" against Arab aggression, it was pointed out in a British Information Service release distributed here.

Stating that miscalculation is all too easy and that one of these days the balloon will go up by design or by accident, the paper scored the Arab states---all members of the UN and signatories of its Charter---who have sworn to crush the State of Israel.

Criticizing the UAR which has incorporated the threat of aggression into its constitution, the Post added: "Meanwhile there is a total political and economic boycott of Israel by the Arab states, and the Suez Canal is closed to Israeli shipping. A state of war exists. Yet, Israel is, to a large extent, the creation of the UN General Assembly. Clearly, it is high time," the paper stressed, "the UN took a strong line on this issue. When a threat to peace is a declared aim, surely, something ought to be done about it. Britain is bound by the 1950 declaration to provide assistance to Israel on request. Is it not time that there was a firm United Nations guarantee that such a request will never have to be made?"

BONN INFORMATION OFFICE REPRINTS ARTICLE ON GERMANY'S AMENDS TO THE JEWS

UNITED NATIONS, (WUP)---The Press and Information Office of the German Federal Republic has reprinted and distributed widely a Reader's Digest article on "Germany's Amends to the Jews."

Written by Robert Littell and published in the August, 1963, issue of the Digest, the article is subtitled: "For the last decade, the West Germans, through official reparations and private philanthropy, has been trying to atone for one of history's most unspeakable crimes."

HISTORIAN SIMONHOFF SCORES RABBI WHO TERMED BIBLE A "NAUSEATING, VICIOUS BOOK"

NEW YORK, (WUP)---American-Jewish historian Harry Simonhoff, whose latest book is titled "Jewish Participants in the Civil War," has come out with a bitter criticism of a Reconstructionist Rabbi who has debunked the Bible and called it a "nauseating, vicious book."

Attending a B'nai B'rith Institute seminar at Wild Acres, North Carolina, recently, Simonhoff---as he reports in the current issue of the American Examiner---says that he was shocked---and so was some of the audience---to hear Rabbi A. Wolf Miller of the Reconstructionist Movement brand the God of Israel "a monster" and term "the Bible as a nauseating, vicious book, full of murder, rape, immorality, obscenity and cruelty..."

"Were these words of a Jew-baiting Voltaire, or Goebbels?" asks Simonhoff. "No! They were uttered by the rabbi of the Society for the Advancement of Judaism, the center of the Reconstructionist movement."

Simonhoff adds: "We can understand these blasphemies coming from Judeo-phobes intent on disparaging the Jews, their mission and their Torah. But what are the objectives of a rabbi in castigating his own people for discovering the one and only God...?"

A Digest of Contemporary OpinionOgden Reid's Timely Warning On Mideast

I again rise out of concern for peace in the Near East... Obviously the situation today is sensitive... I believe there is a need for the U.S. policy to be clear. Admittedly, there are no simple answers. This is an extraordinary and complex subject; but I believe that the statements of several radios in the area and certain other actions that have taken place call at this time for a broad-gaged, bipartisan, concurrent resolution of the Congress bespeaking the will of the people of the United States and the united sense of the Congress and the Executive. I believe that such a concurrent resolution could make a significant difference before events in the Near East deteriorate and we are faced with armed hostilities... Clearly, any nation that is a member of the UN must uphold, in my opinion, the principles of the Charter—and the principles of the Charter do not condone continuing belligerency or continuing in a state of war or apparent state of war. Therefore, to the extent that this Government [the United Arab Republic] does not wish to live within the precepts and principles of the Charter of the United Nations, I believe that is a matter for concern of the Congress and the President of the United States... It would be my hope that at this time we approve a bipartisan resolution that would express the will of the Congress, of the American people, and of the Government. It is my belief that in so doing, were this Congress so to act, the President could reaffirm that this resolution would be understood by those who appreciate human liberty and human dignity, and by all who oppose outside intervention....

Hon. Ogden R. Reid, In a Speech Before Congress, May 6

Towards Continuity

It is a tragic twist of fate that North American Jewish communities, which once looked to European Jewry for cultural leadership and as a source of personnel for the teaching and religious professions, now find themselves seriously concerned over the continuity of Jewish life in Europe. The catastrophe which befell the Jews of Europe during the Hitler period did not end with the Allied victory of 1945. For peace by itself could not rebuild the shattered Jewish communities—in some cases completely wiped out, in others, atomized and dispersed to every corner of Europe. And now again, as a result of the extreme nationalism and upheaval in North Africa, more than 150,000 Jews have flooded into France in the last three years. It is estimated that some 600,000 Jews—about 65 percent of the entire Jewish population living in continental Europe—have little or no connection with any form of organized Jewish life. These Jews, deprived of leadership, desperately need spiritual and cultural resources for their general morale and welfare. It was against this impoverished background that "Community Service" was initiated some five years ago by the American Jewish Committee, the Alliance Israelite Universelle of France, and the Anglo-Jewish Association of England. The general aim of this organization is to re-establish and help develop a new and positive sense of Jewish identity through programs which reflect Judaism as a religion, a rich tradition and a source of creativity, working through existing Jewish bodies and organizations.. The problem is also being tackled... by the Joint Distribution Committee which has instituted a training institute in Israel for directors of European Jewish community centers...

The Western Jewish News, Winnipeg, from an Editorial

//  
Ominous Warning

With attention focused on what is happening in South-east Asia and Latin America, the far greater military danger in the Middle East has gone almost unnoticed... Unless Israel should be supported by Western powers, the nation might not survive a coordinated attack by Arab nations, directed behind scenes by Russia... No doubt the United States, Britain and France would intervene in behalf of Israel... The Western powers have been pulling their bases away from the Middle East while the Russians have been placing bases close to the area as well as supplying arms to the Arab forces. Former Nazis are reported active in the UAR, which brings them into working partnership with the Communists, such as existed in the time of the Ribbentrop-Molotov pact, which sparked World War II....

Re: MARCH ON WASHINGTON  
AUGUST 28, 1963

George Lincoln Rockwell, self-styled commander of the American Nazi Party (ANP) and approximately seventy-four persons were observed by Special Agents of the Federal Bureau of Investigation (FBI) to cross the 14th Street Bridge from Washington, D.C. into Virginia at 11:40 A.M., on August 28, 1963. Rockwell appeared to be leading this group, the members of which were walking in single file. They proceeded out Shirley Highway after crossing the bridge into Virginia and thence to the intersection of Army-Navy Drive and Jefferson Davis Highway where cars they had used for transportation from Arlington, Virginia to Washington, D.C., earlier in the morning were parked.

At approximately 12 Noon, the first car with a load of these persons left this parking area and went to the ANP Barracks at 6150 Wilson Boulevard, Arlington, Virginia.

The following automobiles, loaded with people, were observed by Special Agents of the FBI to arrive at the ANP Barracks, 6150 Wilson Boulevard, Arlington, Virginia, between 12:15 P.M. and 1:30 P.M., August 28, 1963:
